

# Gloucester Cathedral Library - Handlist of Prints and Drawings

Revised August 2016

The “PD” series comprises miscellaneous prints and drawings found in the Library in from 2013 onwards. In some cases these have been removed from frames.

The “SAFE 284” are those referred to in the published Library catalogue (1972) under the collective reference Safe 284 as “Gloucestershire, Prints: A miscellaneous collection of prints depicting Gloucester Cathedral, Gloucester City and Gloucestershire”.

There is also one oil painting (P).
